GLOBAL COMMERCE

Empowering Trade. Enabling Trust. Ensuring Excellence

**Nivara Pure** is a purpose-driven and nature inspired brand under the umbrella of Majestree global commerce, committed to offering the world the finest organic millets and natural wellness essentials for all the health-conscious consumers worldwide. Inspired by India's ancient food traditions and crafted with modern quality standards, **Nivara Pure** delivers purity, nutrition, and sustainability in every product, guided by the principle that true nourishment comes from protecting nature's purity.

## OUR PHILOSOPHY

Rooted in India's traditional farming wisdom and refined by modern food safety and quality standards, **Nivara Pure** is more than a brand — it's a movement toward healthier, more conscious living. We work in close collaboration with certified manufacturers who are ethically aligned with dedicated farming communities, ensuring that every product reflects:

- ▶ Purity of ingredients
- ▶ Nutritional richness
- ▶ Eco-friendly sourcing
- ▶ Compliance with global food safety standards

## ABOUT US

### **Nivara Pure**<sup>™</sup> - A Brand of Majestree Global Commerce

Majestree Global Commerce is the parent company and export facilitator of Nivara Pure Essentials LLP, an exclusive unit focused on organic millets and natural wellness products, under the brand "**Nivara Pure**".

## OUR VISION

To create a trusted platform for global trade by bridging Indian excellence with international markets through integrity, innovation, and purposeful partnerships each transaction reflecting the unwavering commitment to quality, transparency, and global compliance.

## What Are Millets – The Nutri-Cereals of the Future

Millets are a group of ancient grains that have nourished civilizations for over 5,000 years. Known for their exceptional nutrition, gluten-free profile, and climate-smart farming benefits, millets are now being hailed as the supergrains of the future – offering a perfect blend of traditional wisdom and modern wellness. They suit both traditional diets and contemporary culinary innovations.

### Nutritional Powerhouse for Every Plate

Millets deliver more than carbs – they're rich in:

- ▶ DIETARY FIBER
- ▶ PLANT BASED PROTEINS
- ▶ MICRO NUTRIENTS
- ▶ ANTIOXIDANTS

### Global Recognition

Endorsed by the United Nations as the "International Year of Millets 2023", ideal for health-conscious consumers and sustainable supply chains.

## OUR SUSTAINABLE MILLET SOURCING AND PROCESSING

We work in close collaboration with certified vendors who are ethically aligned with dedicated farming communities, ensuring that every **Nivara Pure** product meets the highest standards of nutrition and compliance with global food safety standards to source premium-quality millets grown through traditional, eco-friendly farming methods.

From farm to table, we uphold the essence of nature while uplifting the farmers who nurture it. Bridging the global appeal of sustainability with deep Indian farming roots, this partnership ensures that **Nivara Pure** offers the world ethically sourced, nutrient-rich and responsibly processed premium organic millets and natural wellness essentials.
